Nock / Molin School

This is an aerial photograph of a suburban area. A road, labeled 'Low Street', runs diagonally from the bottom left towards the top right. To the north of this road is a large parking lot filled with cars, and further north is a large white building with solar panels on its roof. To the south of Low Street is a large, mostly empty lot with some debris and a few vehicles. In the bottom right corner, there is a smaller building and another parking lot. Yellow lines outline the boundaries of two school districts: 'Nock / Molin School' to the north and 'River Valley Charter School' to the south. The text labels are in white boxes with black borders.
